Dear Rev.,

We look forward with great joy to hosting the 1st United States Priests and Seminarians for Life Encuentro and the 5th Latin American REDESSVIDA on November 8, 9 & 10, 2018 at St Paul Parish in Phoenix Arizona.

The Latin American Network of Priests and Seminarians for Life (REDESSVIDA) is a Human Life International (VHI) project that began in September 2009. REDESSVIDA missionaries have traveled throughout Latin America, announcing the Gospel of the Life and denouncing the Culture of Death.

The objective of this Encuentro is to offer pastoral tools on issues in favor of human life to Priests and Seminarians from the United States, Latin America and the Caribbean. Conferences will be open to religious orders and deacons as well. For the laity, we will hold a one-day conference on Saturday, November 10 in the same facilities.

It is a great opportunity for subsidiarity and collaboration between the Diocese of Phoenix and Human Life International and will help to strengthen the Culture of Life in the United States and other countries. It also will provide the space for sharing resources and tools to defend the sanctity of all human life.

Please accept my invitation to participate in the 1st Encuentro in the United States 5th Latin American Encuentro of REDESSVIDA.

To confirm your attendance or for more information, registration and other details of the event please visit www.BProLife.org or email us at BProLife@dphx.org.
